

Using Kaltura with Blackboard

Overview

Videos in your My Media gallery can easily be made available in your Blackboard Learn course through the *Kaltura Mashup* feature.

Add a Kaltura Video Within a Blackboard Text Editor

1. Login to your Blackboard course.
2. In any Bb text editor (eg. an Announcement, a Discussion Thread, a Journal Entry), type your complete message.
3. Enter an empty line to make room for the video embed.
4. Click *Mashups* in the third row of the editor.
5. Choose *Kaltura Media*.
6. Select a video from your My Media gallery.
7. Your video is added within the Bb text editor.
8. Add information to the item or post as needed.
9. Click *Submit*.

Add a Kaltura Video to a Blackboard Content Area or Folder

1. Login to your Blackboard course
2. Navigate to the folder or area for your video.
3. Click *Build Content* > *Kaltura Media*
4. Select a video from your My Media gallery.
5. Add a title and information as needed.
6. Click *Submit*.
